The Center for Army Leadership (CAL), located at Fort Leavenworth, KS, conducts leadership and leader development research, studies, analysis, assessment and evaluation; provides the Army leadership and leader development doctrine, products and services; develops and maintains the Army Leader Development Strategy and annexes; and manages the Army Leader Development Program.

ARMY LEADER SELF-DEVELOPMENT REFERENCE GUIDE

Center for Army Leadership (CAL):
http://usacac.army.mil/cac2/CAL

Leader development activities occur in three domains: institutional, operational, and self-development (AR 350- 1). This guide is designed to assist leaders with the self-development domain by identifying and locating relevant available military resources.

These sites, particularly for junior leaders, are available to assist with professional development, career management, personal assistance, and situational awareness. These resources help improve Army leaders at their current level and provide a pathway for progress.

August 2014

Professional Development

Army Career Tracker (ACT): Users can search multiple education and training resources, monitor career development and receive advice from their leadership. https://actnow.army.mil

The Multi-Source Assessment and Feedback (MSAF) Program: A confidential and developmental 360 degree assessment showing leaders how their superiors, peers, and subordinates see them in relation to the Army leader competencies. The program offers coaching, leadership development tools, and the **Virtual Improvement Center (VIC).** The VIC is a collection of instructional media designed to assist the leader in increasing their leadership skills. The site includes resources to include relevant websites, stories, and simulations focused solely on individual improvement in each Army leader competency. https://msaf.army.mil
